The number of pieces may vary. All weights indicated are approximate weights and based on the raw weight, prior to cooking. All changes are managed by food safety regulations. We try to remove all bones from fish, but small ones may remain. Vegetables and fruit are based on seasonality and availability.

Ingredients from our kitchens and manufacturing plants may contain or come into contact with allergens. Please tell your host if you have any allergies. While we try our best to minimise cross-contamination, we cannot guarantee this.
